NOTIFICATION

Under Section 4 (1) of the Kerala Survey and
Boundaries Act, 1961

Ref. E.L. 1149/06. *3rd January 2009*

Whereas the Government have directed the survey
of lands completed at survey number cited
below, it is hereby notified under sub-section (1)
of section 4 of the Kerala Survey and Boundaries Act,
1961, that the survey operation will be started in the

Village men and the surveyors of the villages noted below will be deputed and surveyed and that every person claiming to be interested in the registered lands situated within or adjoining the unregistered lands are hereby invited to attend immediately either in person or by agent on the surveyor employed in the locality and also from time to time when called upon for the purpose of pointing out the boundaries and supplying information in connection therewith.

Under subsection (2) of section 4 of the said Act, this notification shall be held to be a valid notice to every person having any interest in the said land.

Under sub-section (3) of section 8 of the
above said Act, all the registered holders are hereby
reminded:-

- (a) to clear within 15 days by cutting down or removing any trees, bushes, fences, standing stones or other material obstructions, the boundary or other lines the clearance of which may be necessary for the purpose of survey; and
 - (b) to provide labour as such time and for such periods as may from time to time be required by the Surveyor Bagholder and claimant; and
 - (c) to provide suitable survey marks and otherwise to give such assistance in the survey as may be demanded within the said Act or the Rules made thereunder.

If any person fails to comply with these regulations under clauses (b) to (g) mentioned above, the work will be got done by employing hired labour and the cost thereof will be recovered from the defaulter as provided in the Act and Rule made thereunder.

“我就是想让你知道，你不是唯一一个被选中的人。”

To analyze the relationship between the two variables, we used a linear regression model.

As a result, the weight loss was not significant [$p = 0.05$].

Chlorophyll a was used as a reference for the detection of phytoplankton.

agreement with the results of the test.
